The girl was up stairs at the Hadley home when she lost her balance and fell over the banister alighting on the floor below with a great deal of force. In striking the floor, she threw out her right arm to break the fall and as a result both bones in the fore arm were snapped off about half way between the wrist and elbow. She was immediately taken to the office of Dr. N. R. Eastman where the fractures were reduced.

The freight was running, south bound, just beyond the bridge at Brink Haven and Mrs. Frye was standing on the top of a box car, but did not know that the bridge was so near. The top of the bridge struck him on the back of the head with great force and knocked him from the car. The accident was witnessed by a number of the train hands who immediately signaled the engineer to stop the train. On investigation, it was found that the man was unconscious and he was placed in the caboose and brought to Mt. Vernon where surgical attention was rendered. The injured man was taken to his home in Wooster, Ohio, as soon as possible.

## ATTEND

**The Assembly At The Park  
This Year**

**May Assure Future Of The  
Assembly**

Mt. Vernon wanted the Hiawatha assembly continued this year, and all were glad when it was announced that the management had decided to accept the offer made by the men who had leased the park in order to keep the great summer meetings here.

All would be more than pleased if they knew that the assembly would be continued for years to follow this. It is possible to realize this very wish simply by giving the patronage that it deserves. Supt. Rose states that even now the management is looking forward to 1911, and that if this year's patronage warrants it the assembly will be enlarged in several ways the coming year. He does not believe that the program could be improved in quality over what is offered this season, but has in mind some new features that will make this assembly the leader of all in the state and bring more people from a distance than heretofore.

Despite the fact that the program for this year is a costly one, the management has decided to retain the old prices for Mt. Vernon and Knox county patrons who get into the ticket buying early. Most chautauquas have increased prices this year, but the local management has decided to risk the old figures and will sell season tickets at \$1.50 for the season. At the gate and tickets sold by Supt. Rose will cost \$2, but to Mt. Vernon and Knox county people the \$1.50 rate will be maintained, making the high-priced talent for afternoon and evening entertainments, not counting the pleasures and benefits of Bible lectures, Sunday school study, etc., et al., cost season ticket buyers scarcely 10 cents each.

At this figure not less than 1,000 tickets ought to be sold in the city alone. This mark is low rather than high, everything considered.

## HORSE

**Show At Hiawatha Park  
Week Of July 17**

Col. L. G. Hunt has booked the celebrated Jackson Brothers Equine Paradox and Roman Hippodrome Co. for the week of July 17 at Lake Hiawatha Park. This company will bring to the park some of the finest horses ever seen in Knox county, producing every kind of race known to horse men. The Park Association will invite the owners of fine horses in the county to join them in a horse show for at least three or four days of the week. Knox county has some fine horses and is capable of taking the ribbon in most any show.

## COLUMBUS

## STRUCK

**On Head With A Bottle And  
Painfully Injured**

A man residing at Martinsburg by the name of Harriman, was severely injured while on South Mulberry street Friday afternoon. He was in company with a number of other men when for some reason, he was struck on the left temple with a heavy bottle which broke when it struck his head. The shivered glass inflicted a bad wound which bled profusely. Surgical attention was rendered as soon as possible.

## LIME

**Was Accidentally Thrown  
Into A Child's Eye**

Aleta Jones, the small daughter of Mr. and Mrs. F. B. Jones, suffered a very painful injury while playing at her home on North Sandusky street Friday afternoon. She was playing in company with her sister who accidentally threw a handful of lime in her left eye. As soon as possible the girl was taken to the office of Dr. C. K. Conard where the lime was removed and the eye was given the proper attention. Although the optic is very sore as a result of the accident, it is not thought that the sight will be impaired.

## GETS PENSION

**For Aged Veteran At Bellville Does  
Congressman Sharp**

Through the efficient work of Congressman William G. Sharp of this district, another veteran of the civil war has received a deserved pension. John J. Kelly of Bellville is the fortunate veteran who will in the future receive \$24 per month from the national treasury for the services he rendered the country from '61 to '65.

Mr. Kelly served four and one-half years under Gen. George B. McClellan. He had never received a pension and Congressman Sharp interested himself in the case. It required a special act of Congress to put the pension through but that was just what Mr. Sharp succeeded in having done.—Mansfield Shield.

C. B. Messenger, who has been in the coal business here for the past 16 or 17 years, died Saturday night at 9:15 o'clock at his home in Ft. Scott, Kan., of heart failure. It has been his practice to visit his home every week or two, and it was on one of his home visits that he was taken sick.

He was ill about three days and his death came suddenly. He had not been feeling well for the past three weeks, but his condition was not suspected to be of a serious character. The funeral was held this afternoon at 2:30 o'clock at his home in Ft. Scott.

The deceased leaves a wife, a married daughter and a son who is unmarried. He was probably between 60 and 65 years of age, though no one here knew his exact age. His son, H. C. Messenger, who died in 1901, was formerly manager of the business of the Carthage Water Company, and Mrs. Blanche Messenger, wife of H. C., succeeded to that position, holding it at the present time.—Carthage, Mo., Evening Press.

The deceased was formerly a citizen of Mt. Vernon, but left here many years ago.

## ROBBERY

**Occurs At A Boarding House  
On Circus Day**

**Man Also Gets Away With-  
out Paying A Bill**

Friday, being circus day, was no exception to the general run of circus days when petty thefts and robberies are usually numerous. The most conspicuous one which happened on Friday was at the Zimmerman boarding house on East High street. On Friday morning a neat appearing man sought board and lodging and stated that he wanted to secure a room to occupy until Saturday evening. Mrs. Zimmerman, suspecting nothing, assigned him a room where he placed his stock of china cement, which he professed to be selling over the city. He ate his dinner and supper at the boarding house and appeared to be a very pleasant person. Just after supper, he went into the parlor with some children with the pretense of looking at some books. It is thought that at this time, when no one was looking, he slipped into a bedroom and secured Mrs. Zimmerman's pocket book, in which was a large amount of money. At any rate, when the pocket book was sought for, it could not be found, nor could the china cement peddler be found. In addition to making away with the money, he did not settle for his room and board.
